

Federal Home Loan Bank of Des Moines Quarterly Price Report

The Federal Home Loan Bank of Des Moines (Bank) is providing estimated valuations of the specific Convertible, Convertible with a Strike and Mortgage Matched advances set forth below for members' information and convenience only. The estimated valuations are generated by models used for the Bank's own asset/liability management purposes. The models use specific assumptions, for example, market volatility and discount curve adjusted for the Bank's spread, to estimate the value of the advance. The valuations represent theoretical market prices only and should not be construed as a liquidation price for a Convertible, Convertible with a Strike or Mortgage Matched advance.

It is expressly understood that in providing these valuations to members, the Bank is not performing any advisory service. The valuations are provided without representation or warranty and the member is solely responsible for any decision it makes or actions it takes based on the valuations provided. It is recommended that members maintain independent capabilities to value their asset/liability positions, including Convertible, Convertible with a Strike and Mortgage Matched advances. You should consult with your own tax, legal, accounting, credit and financial advisors with respect to the transaction structure and information detailed herein.

The tables depict valuation estimates resulting from immediate parallel interest-rate movements of plus/minus 300 basis points in 100 basis point increments. To identify your advance, select the appropriate tab at the bottom of the page for Convertible and Convertible with a Strike advances or Mortgage Matched advances. Then, locate the appropriate settlement date and verify the advance rate. The report is sorted in ascending order by settlement date, followed by advance rate. Once the appropriate structure is located, read across to view the sensitivity analysis for that advance.

If you have any questions, contact the Money Desk at 800.544.3452, ext. 1013.
