

2017 Competitive Affordable Housing Program Activities and Dates to Remember

The application period for the 2017 Affordable Housing Program subsidy award begins June 1, 2017 and ends June 30, 2017 at 4:30 PM Central Time. To apply project sponsors and FHLB Des Moines member financial institutions must complete an online application in **AHP Online**, the Bank's automated application system. Sponsors may include for-profit or non-profit corporations, governments, housing authorities, or Native American tribes. The AHP Implementation Plan, Instruction Guides for application, and link to AHP Online are available on the Bank's [website](#).

Sponsors and members must register staff as AHP Participants before initiating an application, and a sponsor must obtain support from an FHLB Des Moines member. Sponsors and members may register at any time, sponsors through a link to AHP Online on the Bank's website, and members through eAdvantage, the member's proprietary website. Sponsors and members that registered in prior years do not need to register in 2017 unless they have had a change in staff authorized to make application, in which case new staff must register. See the Instruction Guides for more information.

Sponsors may complete a pre-application to receive comment on a project proposal before making application. *A pre-application is not a requirement for submitting an AHP Application. Sponsors do not require the support of a member to complete a pre-application.* Bank staff will provide comment on project eligibility, competitive scoring, and project feasibility. Pre-application period begins March 1, 2017 and will be accepted until March 31, 2017. Pre-application forms will be available on the Bank's website during the pre-application period.
