Member: Midwest Bank, Detroit Lakes, MN

- White Earth Reservation Housing Authority utilizes AHP funds to assist tribal members with substantial rehabilitation repairs to their homes
- AHP subsidies of \$25,000 per home to 40 homeowners on the White Earth reservation. Total AHP award \$1,000,000
- Repairs focused on health and safety items such as windows, siding, roofs, mechanical updates and bathroom accessibility modifications

Case Study: New Construction (Washington)

Project: Hobson Place

Sponsor: Downtown Emergency Service Center

Member: Wells Fargo Bank, N.A.

- New 7-story building
- 92 units of permanent supportive housing for people with healthcare issues are experiencing or have experienced homelessness.
- The clinic at Hobson Place will serve residents of the supportive housing and the broader community, and create new employment opportunities in the neighborhood.
- Received a \$750,000 AHP Grant that was used to leverage New Market Tax Credits and state and local dollars.
- Total development cost: \$55 million

Sponsor and Member Roles

Sponsor

Sponsor organizations that apply for subsidy award are typically non-profits, governments including Native American tribes or housing authorities that are conducting an affordable housing project

The sponsor must be integrally involved in planning, development, or management of the project

For rental projects, sponsors must have controlling ownership interest in the project

For-profits may apply but are not awarded points in competitive scoring

Member

All applications require the support of an FHLB Des Moines member financial institution – the member applicant

A membership directory is available on the Bank website

Member benefits:

- Fosters community relationships
- Expands customer base
- Provides opportunity for targeted service and lending opportunities
- Community Reinvestment Act compliance benefit
- Housing programs also provide for economic development
- Leverages local dollars

AHP Feasibility – The Basics

What is Project Feasibility?

AHP Feasibility Guidelines

- Project Costs
- Affordability of Housing

Documentation

- [Feasibility Workbook](#)
- Application Exhibits

Disqualification

- Costs or other project features that do not conform to guidelines
- Incomplete or inconsistent applications

AHP Feasibility Guidelines

What if my project deviates from AHP feasibility guidelines?

- Not automatic disqualification
- Explanations of deviations should be:
 - Logical and measurable
 - Quantifiable in relation to the amount by which the guideline is not met

The Bank will consider appropriate exceptions to these guidelines based on the information and documentation provided

Post Award Monitoring

- Semi-Annual Progress Reports (SAPRs)
 - March and September
- Underwriting
- Projects must maintain commitments through the retention period
- Remedial Action for non-compliance to AHP Regulations/Policies
